

The background of the slide is a photograph of a wooden desk. On the desk, there is a white tablet computer lying flat, partially covering an open book. To the left of the tablet, there are several other books stacked. The background is slightly blurred, showing a classroom or study environment with a blue chair and a whiteboard.

The background of the slide is a photograph of a wooden desk. On the desk, there is a white tablet computer lying flat, with an open book underneath it. To the left of the tablet, there are several other books stacked. The scene is lit with soft, natural light, creating a calm and studious atmosphere.

Unit - I

Application of Grammar

Types of Tenses

Use of Correct verbs

Learning Objectives

- ☐ To understand the concept of Tenses
- ☐ To describe the use of relevant forms of verbs in constructing grammatically correct sentences
- ☐ To understand different types of tenses with sub types

Concept/ Definition

- It is a category that expresses time reference, with reference to the moment of speaking
- A verb-based method used to indicate the time, and sometimes the continuation or completeness, of an action or state in relation to the time of speaking
- It is essential to establish effective communication

Meaning?

- **ORIGIN** Latin tempus "time" The concept of tense in English is a method that we use to refer to time - past, present and future
- Helps to understand how to use the different tenses in a sentence correctly..... without making a grammatical mistake and also by easily indicating when an event or action has occurred.

Tenses can be split into three types on the basis of concept of time

Present Tense

Use to show the present time of action

I bring a notebook

Past tense

Use to indicate the action already happened

He brought a notebook

Future tense

Use to indicate the action going to be happened in near future

She will bring a notebook

Verb forms

Infinitive/Base Form	To be	To have	To do
Present (V1)	Is/ Am/ Are	Has/Have	Does/Do
Past (V2)	Was/Were	Had	Did
Past Participle (V3)	Been	Had	Done
Present Participle (V4)	Being	Having	Doing

► At the end of this presentation learners will be able to :

- ❑ To understand the concept of Tenses in English
- ❑ To identify correct verbs forms
