Concept

Learning Objectives

Types of Preposition

Use of Preposition

Learning Objectives

- ❑ To understand the meaning of Preposition
- ❑ To describe the use of relevant preposition in constructing grammatically correct sentences

Concept/ Definition

- One of the essential parts of speeches
- Use to show the relationship between two things
- Generally takes position before noun

Ex. Prof. Patil gave a lecture on socialism.

The award is given to her.

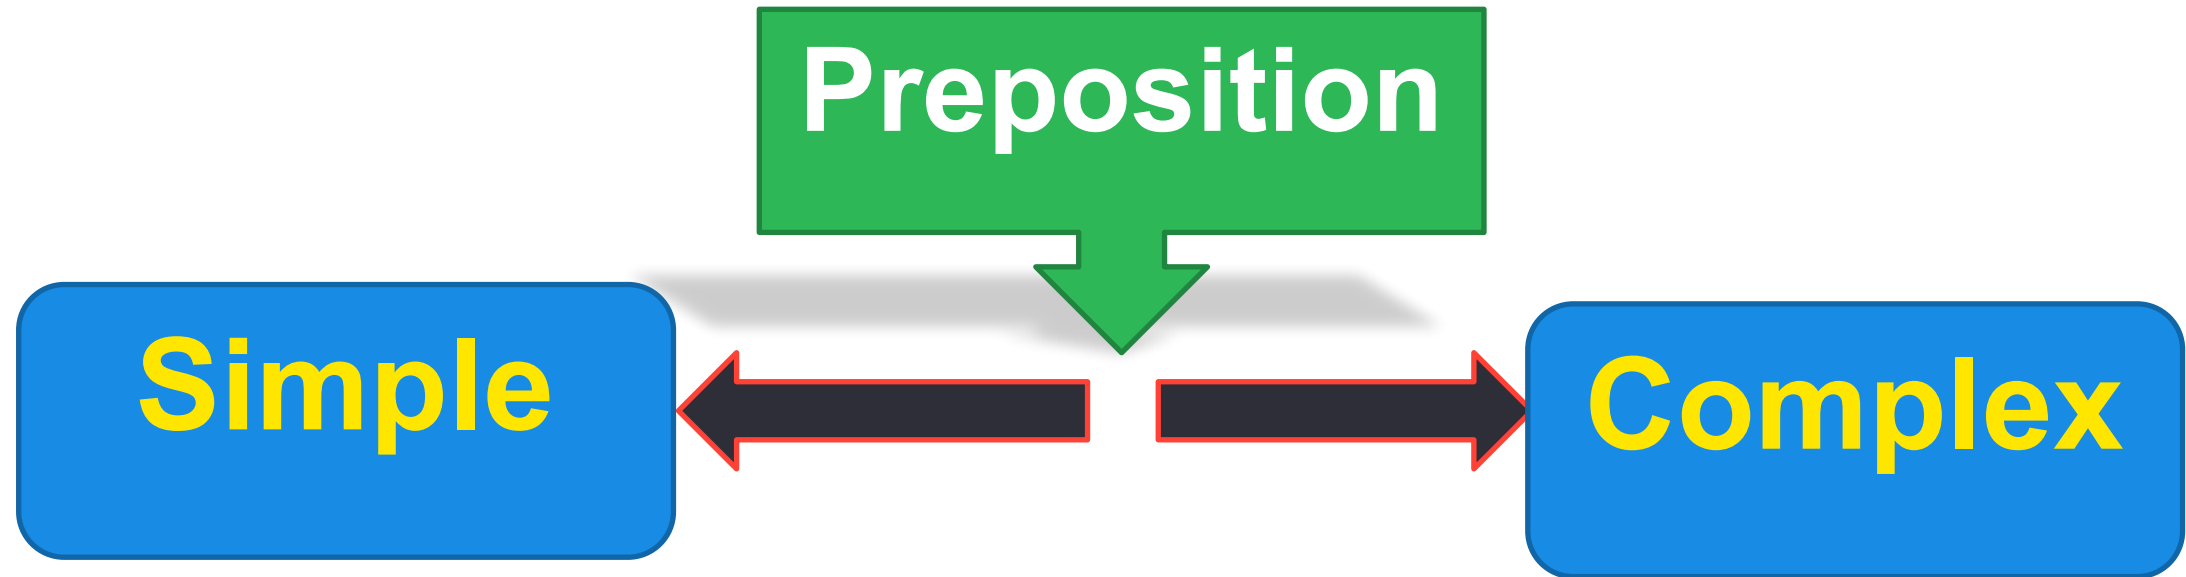

What is Preposition?

A preposition is a word used to link nouns, pronouns, or phrases to other words within a sentence.

A word which is placed before a noun or pronoun to show some relationship between that and other words present in a sentence

They act to connect the people, objects, time and locations of a sentence.

- So here we can categorized it into two parts:

Types of prepositions

Types of prepositions

Preposition of place:

A **preposition of place** is a preposition which is used to **refer to a place** where something or someone is located

At – A preposition of place which is used to discuss a certain point

In – A preposition of place which is used to discuss an enclosed space

On – A preposition of time which is used to discuss a surface

Application of Concept/ Examples in real life:

Preposition of time:

A **preposition of time** is a preposition that allows you **to discuss a specific time** period such as a date on the calendar, one of the days of the week, or the actual time something takes place

At – This preposition of time is used to discuss clock times, holidays and festivals,

In – This preposition of time is used to discuss months, seasons, years, centuries,

On – This preposition of time is used to discuss certain days of the week or portions of days of the week, specific dates

Prepositions of Manner

- **Prepositions of Manner** is all about how a certain thing happened or is done.

Eg. He faces danger **with** courage.

He came by bus

Preposition of purpose

These are the prepositions that in general show the reason of a happening or being in a sentence. They generally answer the question of why.

To, For, Because of , on account of etc

She ran to deliver the mail

I need a fine profile for getting a job

I need to stay home because of my naughty brother.

Preposition of Direction

Prepositions of direction give readers a sense of place or location.

Examples:

Through

The river runs through the woods.

Across

My friend lives across the street from me.

Around

They told stories around the campfire.

► At the end of this presentation learners will be able to :

- ❑ To understand the concept of Prepositions in English
- ❑ To use correct Prepositions
