✓ "It is my honour to introduce the stalwart member of Women in Leadership' for the last ten years. Over that time she has served in every office: secretary, treasurer, chairperson, chief fundraiser, education officer to name a few and in some roles several times over. Her passionate dedication to promoting public speaking as an important component of empowerment is inspiring. We estimate that she has personally mentored at least 100 new speakers and has set an extraordinary 'yes, you can' example for many more. We see her as capable, confident and fluent - never at a loss for words. But what you probably don't know is that this woman once stuttered, stammered and blushed. Yes, she was temporarily paralyzed, struck dumb by the mere thought of standing in front of an audience to speak.
